

Checker plate surface on patented foam base

A multi use mat designed to relieve fatigue by improving standing posture. Zed Chex's robust checker plate vinyl wear surface with Zed Land backing provides excellent slip resistance.

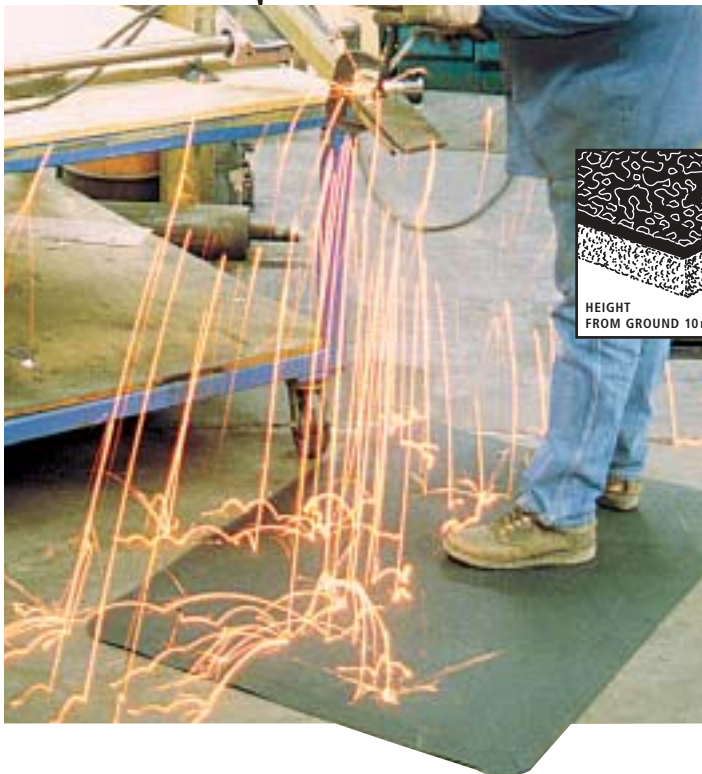

- **Fused construction that never delaminates.**
- **Patented highly resilient foam base.**
- **Available in rolls or mats.**

Plus

Zed Chex Plus is also available with yellow edge bands to increase visual safety in any workplace.

Textured rubber top surface on a foam base

Spark Safe is recommended for industrial work and welding stations, assembly areas and machine shops. Able to withstand the harshest industrial conditions, this 100% rubber composition anti-fatigue mat repels sparks and hot metal shards, whilst always providing comfort for the standing user.

- **Bevelled edge finish.**
- **Excellent heat resistance.**
- **Available in rolls or mats.**

“When the heat is on, use Spark Safe”

Other anti-fatigue matting from the Plastex range:

Zed Land, Zed Tred - patented foam bases
Vynagrip, Heronair - open grid anti-fatigue
