Crossgrip® 20/20

Specialized flat roof walkway system with a superior four-way drainage system, enhanced slip resistance and 10-year warranty

Introducing Crossgrip 20/20, an external safety walkway system that combines all the best features of Crossgrip with an added four-way drainage system, enhanced slip resistance and an unbeatable 10-year warranty.

Crossgrip 20/20 has a redesigned base bar that boasts a superior four-way drainage system, plus a revamped top bar featuring a deeper cut for slip resistance (RTI) underfoot. The addition of improved UV weatherability and a 10-year warranty means Crossgrip 20/20 offers unparalleled performance, even in the most adverse conditions.

The durable, welded construction contours to the roof structure to help protect the roof surface from any potential damage, while the cross-directional top ribs ensure a firm grip underfoot.
