

# Flexi Button

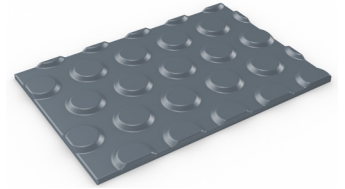

Multi-purpose, hard-wearing matting in a stylish button pattern.

Practical and stylish in equal measures, Flexi Button is the perfect floor covering for commercial and light industrial workplaces.

The deep stud design not only looks good, it's also extremely hard-wearing and easy to clean. The raised elevation means it can withstand light spills, making it ideal for workplaces where liquids are present and employees need protection underfoot.

## Features:

Deep stud design

Hard-wearing vinyl sheets

Made from flexible PVC

Supplied in a convenient roll format

## Benefits:

Good slip resistance

Resistant to chemicals, acids and oils

Easy to cut to fit on site; contours to subfloor

Quick to install
