

Herongripa

Heavy-duty, animal fat-resistant matting designed to keep food processing areas safe.

Oils, acids and animal fats are no match for Herongripa, a specialized matting solution designed to keep food processing environments free from slippery floors, as well as relieving employees from fatigue.

The mat's extra-wide open grid means waste and other spillages fall straight through, keeping the standing area free from hazardous material. Made from a single piece of heavy-duty non-porous PVC, the matting is easy to handle and clean with a high pressure hose, making maintenance a breeze.

Features:

Diamond-cut pattern

Two-layer construction with extra wide grid

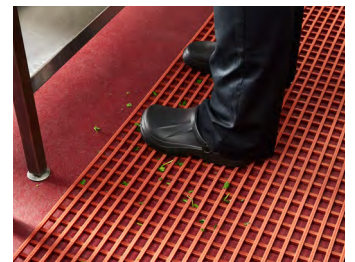

Made from non-porous plasticised PVC

Anti-fungal and anti-bacterial additives

Comes in 16'6" (5m) or 33' (10m) rolls

Benefits:

Certified slip resistant (DIN 51130:R11 ASTM 1677:0.8/0/7)

Excellent drainage

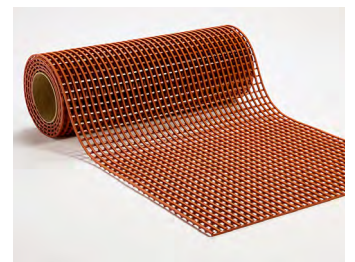

Resistant to animal fat

Excellent hygiene, easy to clean

Quick to install

Standard sizes:

| | |
|-----------------------|--|
| Product | Herongripa |
| Height | 5/8" (15mm) |
| Standard roll options | 33' x 2' (10 x 0.6m) 33' x 3' (10 x 0.91m) 33' x 4' (10 x 1.22m) |
| Weight | 0.88 lb/sq.ft (4.3 kg/m ²) |

Tolerances:

| | Height (+/- 0.05") | Length (0+1.0') | Width (+/- 1cm) |
|------------|--------------------|-----------------|-----------------|
| Herongripa | 5/8" | 33' | 2' 3' 4' |

All dimensions are nominal

Technical information:

| | |
|-----------------|--|
| Acoustic | Excellent sound absorption |
| Chemical | Resistant to most acids, alkalines and oils. You can read more about specific chemical resistances by downloading this information sheet . |
| Composition | Made from flexible animal fat resistant Polyvinyl Chloride (PVC) with additives. |
| Environment | Herongripa is 100% recyclable. We don't use any substances included in the SVHC list under REACH in any of our matting products.. |
| Hygiene | Made from non-porous PVC that's naturally resistant to bacteria growth. |
| Reversion | Thermoplastic shrinkage can result in size reductions up to 2%. This may be accelerated in hot environments. You can read more about the causes of shrinkage by downloading this information sheet . |
| Slip resistance | ASTM F 1677 - Dry/Wet: 0.8/0.7 DIN 51130: R11, V10 |
| Thermal | Designed to function at temperatures from -9°F and up to +140°F. Slight size variation may occur at temperature extremes. |
| UV light | Resistant to PVC degradation |
| Warranty | Three years. Visit our policies page for more information about warranties |

Installation:

Herongripa's one-piece construction means installation is simple:

- Comes in 33' rolls
- Loose lay
- Contours to uneven surfaces

Cleaning:

Keeping Herongripa looking good is easy:

- One piece covering
- Easy to handle
- Roll or lift to clean
- Easy to clean with a high pressure hose

Colors:

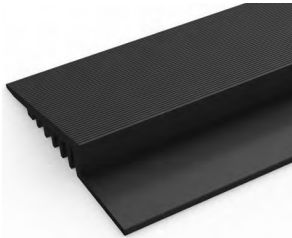

Terracotta
